

INTRODUCTION TO THE IPF

The Investment Property Forum is recognised as one of the leading specialist property industry bodies in the UK. It comprises an influential network of senior professionals active in the commercial property investment market. People join because the IPF remains focused, proactive and makes a difference. Members include: investment agents, fund managers, bankers, lawyers, researchers, academics, actuaries and other related professionals.

IPF Mission

To enhance the understanding and efficiency of property as an investment, including public, private, debt, equity and synthetic exposure, for its members and other interested parties, including government, by:

- undertaking research and special projects and ensuring effective communication of this work;
- providing education; and
- providing a forum for fellowship, discussion and debate amongst our members and the wider investment community.
