

Application for student membership

The IPF recognises the education and research needs of post-graduate students and offers free **Student Membership** for the duration of their studies for up to a maximum of 3 years.

This applies only to students on the following IPF recognised courses who are not already IPF members:

- **IPF Investment Education Programme Diploma** – Henley Business School at the University of Reading
- **University of Aberdeen** – MSc Finance and Real Estate
- **University of Cambridge** – MPhil Real Estate Finance
- **University of Cambridge** – MSt Real Estate
- **Cass University Business School** – MSc Real Estate Investment
- **Heriot-Watt University** – MSc Real Estate Investment and Finance
- **London School of Economics** – MSc Real Estate Economics and Finance
- **Nottingham Trent University** – MSc International Real Estate Investment and Finance
- **Oxford Brookes University** – MSc Real Estate Investment Finance
- **University of Reading** – MSc Real Estate Finance
- **University of Reading** – MSc Real Estate Investment and Finance
- **University of the West of England** – MSc Real Estate Finance and Investment

On successful completion of their respective course, individuals will be offered the opportunity to join the IPF as full members through the academic route to membership. Automatic membership from this route will only be given where the graduate also has a minimum of 2 years' relevant experience in the property investment industry (this could be part-time whilst studying). However, this still allows for a fast track membership compared to standard provisions which states that IPF members should have a minimum of 3 years' experience, at least 2 of which should be in property investment. Applicants will be expected to fill in an IPF application form but will not need 3 proposer or seconder signatures – just proof of their relevant work experience and their successful graduation from the programme.
