### COVID-19 RELATED

- Those attending must adhere to any government/Hilton London Tower Bridge restrictions in place at the time of the event.
- While there are currently no government restrictions on events of this type, we want to ensure the safety of everyone attending the Conference as much as possible, and ask you to take a lateral flow test the day before the Conference and only attend if the test is negative. We ask that you take a lateral flow test within 3 or 4 days after the Conference and report any positive results to the IPF as soon as possible.
- Should government and/or Hilton London Tower Bridge Covid-19 restrictions and requirements change, these terms and conditions will change accordingly. We will notify you of these changes.

Cancellation of the event due to Covid-19: if government guidelines change so significantly that we are unable to run the event, any payments made to the IPF will be refunded in full.
